Nota para los asegurados actuales: Este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse que aún contiene las medicinas que toma.

Cuando esta lista de medicinas (formulario) dice “nosotros”, “nos” o “nuestro”, se refiere a Florida Blue. Cuando se hace referencia a “plan” o “nuestro plan”, se refiere a BlueMedicare Classic Plus and BlueMedicare Premier.

Este documento contiene una lista de las medicinas (formulario) para nuestro plan, la cual está actualizada al 1 de septiembre de 2018. Para obtener un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto, así como las fechas de actualización del formulario, aparece en las portadas delantera y trasera.

Usted por lo general debe utilizar farmacias en la red para poder utilizar sus beneficios de medicinas recetadas. Los beneficios, la lista de medicinas cubiertas, la red de farmacias y/o copagos/coaseguro pueden cambiar el 1 de enero de 2019, y periódicamente durante el año.

¿Qué es el formulario de BlueMedicare Classic Plus y BlueMedicare Premier?

El formulario es una lista de las medicinas cubiertas seleccionadas por nuestro plan en conjunto con un equipo de proveedores de salud, los cuales representan las medicinas recetadas que se consideran como una parte necesaria de cualquier programa de tratamiento de calidad. Nuestro plan generalmente cubrirá las medicinas mencionadas en nuestro formulario siempre y cuando la medicina sea médicamente necesaria, sea surtida en una farmacia de la red BlueMedicare Classic Plus y BlueMedicare Premier y se sigan las otras reglas del plan. Para más información sobre cómo surtir sus medicinas recetadas, consulte su *Constancia de cobertura*.

¿Puede cambiar al Formulario (lista de medicinas)?

Generalmente, si está tomando una medicina que se encuentra en nuestro formulario del 2018 que estaba cubierta al principio del año, no descontinuaremos o reduciremos la cobertura de la medicina durante el año de cobertura 2018, excepto cuando una medicina nueva, genérica, más económica esté disponible o cuando surja nueva información adversa acerca de la seguridad o la efectividad de la medicina. Otros tipos de cambios al formulario, tales como remover una medicina del formulario, no afectarán a los miembros que ya estén tomando la medicina. Estará aun disponible al mismo costo compartido para los miembros que ya la están tomando por el resto del año de la cobertura. Entendemos que es importante que tenga acceso continuo por el resto del año a las medicinas del formulario que ya estaban disponibles cuando usted eligió su plan, excepto en casos en los cuales usted pueda ahorrar dinero adicional o cuando no podamos asegurar su seguridad.

Si eliminamos medicinas del formulario, o añadimos el requerimiento de una autorización previa, límite de cantidad y/o restricciones de terapia escalonada en una medicina, o movemos la medicina a un nivel de costo más alto, debemos notificarle a los miembros del cambio con al menos 60 días antes de que el cambio entre en vigencia, o en el momento en el que el miembro solicite un reabastecimiento de la medicina, para el cual el miembro recibirá un suministro de 60 días de la medicina. Si la Administración de Alimentos y Medicinas (Food and Drug Administration) considera que una medicina en nuestro formulario no es segura o el fabricante de la medicina lo retira del mercado, nosotros eliminaremos inmediatamente la medicina de nuestro formulario y enviaremos una notificación a los miembros que toman esa medicina. Esta lista está actualizada al 1 de septiembre de 2018. Para obtener información actualizada sobre las medicinas cubiertas por nuestro plan, comuníquese con nosotros. Nuestra información de contacto aparece en las portadas delantera y trasera.

BlueMedicare Classic Plus y BlueMedicare Premier proporciona actualizaciones mensuales del formulario en (www.BlueMedicareFL.com) y en papel como sea necesario. El siguiente párrafo explicará cómo será notificado en el caso de ciertos cambios.

BlueMedicare Classic Plus y BlueMedicare Premier solo eliminará medicinas de la Parte D del formulario, moverá medicinas cubiertas por la Parte D a un nivel preferido menor o añadirá requisitos de manejo de utilización 60 días después del inicio del año del contrato asociado con el periodo de elección anual, y solamente si estos cambios son aprobados por CMS. Si BlueMedicare Classic Plus y BlueMedicare

Premier debe hacer tales cambios al formulario, los miembros actuales que están tomando la medicina están exentos del cambio del formulario por el resto del año del contrato.

Antes de eliminar una medicina cubierta por la Parte D de este formulario, o hacer algún cambio en el nivel de costo compartido o nivel de preferencia de una medicina de la Parte D cubierta, BlueMedicare Classic Plus y BlueMedicare Premier:

- Proporcionará una notificación escrita a los miembros afectados con al menos 60 días antes de la fecha en que el cambio sea efectivo; o
- En el momento en que los miembros afectados soliciten un reabastecimiento de la medicina de la Parte D, le proporcionaremos al miembro con un suministro de 60 días de la medicina de la Parte D bajo los mismo términos que estaban permitidos anteriormente y una notificación escrita sobre el cambio al formulario.

¿Cómo utilizo el Formulario?

Hay dos maneras en las que puede encontrar su medicina en el formulario:

Condición médica

El formulario comienza en la página 1. Las medicinas en este formulario están agrupadas en categorías dependiendo del tipo de condición médica que estas medicinas tratan. Por ejemplo, las medicinas utilizadas para tratar una condición médica están listados bajo la categoría de "Agentes cardiovasculares". Si usted sabe para qué se utiliza la medicina, busque el nombre de la categoría en la lista que comienza en la página 1. Después busque bajo el nombre de la categoría de su medicina.

Lista alfabética

Si no está seguro bajo qué categoría buscar, puede buscar la medicina en el índice que comienza en la página 126.

El índice proporciona una lista alfabética de todas las medicinas que se incluyen en este documento. Tanto el nombre de marca como el genérico aparecen en el índice. Busque en el índice hasta encontrar su medicina. Al lado del nombre de la medicina, encontrará el número de la página donde puede encontrar la información de la cobertura. Vaya a la página indicada en el índice y encuentre el nombre de la medicina en la primera columna de la lista.

¿Qué son las medicinas genéricas?

Nuestro plan cubre tanto las medicinas de marca como las genéricas. Una medicina genérica que es aprobada por la Administración de medicinas y alimentos de los Estados Unidos (U.S. Food and Drug Administration, FDA) e indica que contiene el mismo ingrediente activo que la medicina de marca. Por lo general, las medicinas genéricas son menos costosas que las de marca.

¿Existen restricciones en mi cobertura?

Algunas medicinas cubiertas pueden tener requisitos adicionales o límites en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Nuestro plan requiere que usted o su médico obtenga autorización previa para ciertas medicinas. Esto significa que deberá obtener aprobación por parte de nuestro plan antes de poder surtir sus medicinas recetadas. Si no obtiene aprobación, nuestro plan puede que no cubra la medicina.
- **Límites de cantidad:** Por ejemplo, para ciertas medicinas, nuestro plan limita la cantidad de la medicina que nuestro plan puede cubrir. Por ejemplo, nuestro plan proporciona 30 tabletas por receta médica para Januvia. Esto puede ser adicional a un suministro normal para uno o tres meses.
- **Terapia Escalonada:** En algunos casos, nuestro plan le pedirá que primero pruebe ciertas medicinas para tratar su condición médica, antes de que cubramos otra medicina para esa condición. Por ejemplo, si la Medicina A y la Medicina B tratan su condición médica, nuestro plan

puede que no cubra la medicina B hasta que usted pruebe la medicina A primero. Si la Medicina A no le funciona, entonces el plan puede cubrir la Medicina B.

Usted puede averiguar si la medicina tiene algún requisito adicional o límite buscándolo en el formulario que comienza en la página 1. También puede obtener más información acerca de las restricciones que aplican a medicinas específicas cubiertas al visitar nuestra página de Internet. Tenemos un documento en la página de Internet que explica nuestras restricciones de autorización previa y de terapia escalonada. También nos puede pedir que le enviemos una copia. Nuestra información de contacto, así como las fechas de actualización del formulario, aparece en las portadas delantera y trasera.

Usted puede preguntarle al plan que haga una excepción a estas restricciones o límites, o para obtener una lista de otras medicinas similares que pueden tratar su condición de salud. Vea la sección, "¿Cómo puedo solicitar una excepción al formulario de BlueMedicare Classic Plus y BlueMedicare Premier?" en la página iv para obtener información acerca de cómo solicitar una excepción.

¿Qué sucede si mi medicina no está en el Formulario?

Si su medicina no está incluida en el Formulario (lista de medicinas cubiertas), debe primero comunicarse con Servicio al cliente y preguntar si su medicina está cubierta.

Si se entera de que nuestro plan no cubre su medicina, usted tendrá dos opciones:

- Puede solicitarle a Servicio al Cliente un listado de las medicinas similares que están cubiertas por su plan. Cuando reciba la lista, muéstresela a su médico y pídale que le recete una medicina similar que esté cubierta por BlueMedicare Classic Plus y BlueMedicare Premier.
- Puede solicitarle a nuestro plan que haga una excepción y cubra su medicina. Lea a continuación para obtener más información acerca de cómo solicitar una excepción.

¿Cómo puedo solicitar una excepción al formulario de BlueMedicare Classic Plus and BlueMedicare Premier Select?

Puede solicitarle a nuestro plan que haga una excepción a las normas de cobertura. Existen muchos tipos de excepciones que usted puede solicitar.

- Nos puede solicitar que cubramos su medicina aun si no está en el formulario. Si es aprobada, esta medicina será cubierta el nivel de costo compartido pre determinado y usted no podrá solicitarnos que proporcionemos la medicina a un nivel de costo compartido más bajo.
- Nos puede solicitar que cubramos una medicina del formulario a un nivel de costo compartido más bajo (si esta medicina no se encuentra en el nivel de medicinas especializadas). Si es aprobada, esto reducirá la cantidad que debe pagar por la medicina.
- Nos puede solicitar ser eximido de esta restricción o límite en su medicina. Por ejemplo, para ciertas medicinas, nuestro plan limita la cantidad de la medicina que nuestro plan puede cubrir. Si su medicina tiene un límite de cantidad, puede solicitarnos que sea eximido de este límite y que se cubra una cantidad mayor.

Generalmente, nuestros planes solamente aprueban su solicitud para una excepción si las medicinas alternativas incluidas en el formulario del plan, la medicina del nivel de costo compartido más bajo o las restricciones de utilización adicional no son un tratamiento efectivo para su condición y/o le puede causar efectos médicos adversos.

Debe comunicarse con nosotros para solicitar una decisión inicial sobre la cobertura, en el caso de una excepción a las restricciones de un formulario, de uso o de nivel. **Cuando solicite una excepción a las restricciones de un formulario, de uso o de nivel, debe adjuntar una declaración de su médico o persona autorizada que apoye su solicitud.** Generalmente, después de haber recibido la declaración de su médico que apoye su solicitud, debemos tomar nuestra decisión dentro de 72 horas. Usted puede solicitar una excepción acelerada (rápida) si usted o su médico entienden que su salud puede estar en serio peligro si espera las 72 horas para llegar a una decisión. Si se le aprueba la excepción acelerada, debemos tomar una decisión no más tardar de 24 horas después de recibir las declaraciones de apoyo de su médico.

¿Qué debo hacer antes de hablar con mi médico acerca de cambiar mi medicina o solicitar una excepción?

Como un nuevo o actual asegurado de nuestro plan, usted puede que esté tomando medicinas que no están en nuestro formulario. O, puede ser que esté tomando una medicina que está en nuestro formulario pero sólo puede recibir una cantidad limitada. Por ejemplo, puede que necesite una autorización previa de nuestra parte para surtir su medicina recetada. Debe hablar con su médico para decidir si debe cambiar a una medicina apropiada que esté cubierta o solicitar una excepción al formulario para que podamos cubrir la medicina que necesita. Mientras habla con su médico para determinar el curso de acción correcto para usted, puede ser que cubramos su medicina en ciertos casos durante los primeros 90 días en los que usted es miembro de nuestro plan.

Por cada una de sus medicinas que no esté en nuestro formulario o si la cantidad que puede recibir es limitada, le cubriremos un suministro temporal de 30 días (a menos que su receta indique menos días) cuando vaya a una farmacia de la red. Después de su primer suministro de 30 días, no pagaremos por esta medicina, aún si usted ha sido un miembro del plan por menos de 90 días.

Si usted es un residente de un establecimiento de cuidados a largo plazo, le permitiremos abastecer su medicina recetada hasta que le proporcionemos con un suministro de 98 días de transición, de acuerdo con el incremento del abastecimiento (a menos que su receta indique menos días). Cubriremos más de un abastecimiento de esta medicina por los primeros 90 días en los que usted sea asegurado de nuestro plan. Si necesita una medicina que no está en nuestro formulario o si la cantidad que puede recibir es limitada, pero ya pasaron los primeros 90 días de la afiliación a nuestro plan, le cubriremos un suministro de emergencia de 30 días de esa medicina (a menos que su receta indique menos días) mientras usted consigue una excepción al formulario.

Existen circunstancias en las cuales pueden ocurrir transiciones no planificadas para los asegurados actuales y en los cuales el régimen de la medicina recetada puede que no aparezcan en el formulario. Estas circunstancias usualmente envuelven un cambio en el nivel de cuidado en el cual cambian a un asegurado de un tratamiento a otro. Para estas transiciones inesperadas, usted debe utilizar nuestro proceso de excepción y apelación. Las determinaciones y re determinaciones de cobertura serán procesadas tan rápido como lo requiera su condición.

Cuando un asegurado es admitido o dado de alta de un establecimiento de cuidados a largo plazo (Long Term Care, LTC), no tendrá acceso al remanente de la medicina recetada abastecida anteriormente. Nos aseguraremos de que tenga un reabastecimiento al momento de la admisión o de alta. Se proporcionará una anulación única para el "abastecimiento temprano" para cada medicina que se vea afectada debido a que el asegurado fue admitido o dado de alta de un establecimiento de cuidados a largo plazo. No se utilizan los cambios a los abastecimientos tempranos para limitar el acceso apropiado o necesario a los beneficios de la Parte D del asegurado, y estos asegurados pueden obtener un abastecimiento al momento de la admisión o de alta.

El Formulario de Nuestro Plan

El formulario que comienza en la página 1 proporciona información de cobertura de las medicinas cubiertas por nuestro plan. Si tiene problemas para encontrar su medicina en el formulario, vaya al índice que comienza en la página 126.

La primera columna de la tabla lista el nombre de la medicina. Los nombres de las medicinas de marca están en letras mayúsculas (por ejemplo, LANTUS) y las medicinas genéricas están en letras minúsculas en cursiva (por ejemplo, *metformin*).

La información en la columna Requisitos/Límites indica si su plan tiene algún requisito especial para cubrir su medicina.

La información en la segunda columna de la tabla indica a qué nivel de cobertura se encuentra la medicina.

La tercera columna de la tabla indica si se solicitan requisitos especiales para la cobertura de una medicina como por ejemplo, Autorización previa", "Límite de cantidad" y "Terapia escalonada".

Si un Límite de cantidad aplica para una medicina, la cantidad de la restricción se muestra en el listado que comienza en la página 1.
