SECTION 1 We Are Changing the Plan's Name

On January 1, 2018, our plan name will change from BlueMedicare Rx-Option 1 to BlueMedicare Premier Rx.

You should be receiving a new ID card reflecting the new plan name in the mail at the end of this year.

SECTION 2 Changes to Benefits and Costs for Next Year

Section 2.1 – Changes to the Monthly Premium

Cost	2017 (this year)	2018 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$79.40	\$76.30

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more if you enroll in Medicare prescription drug coverage in the future.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs.

Section 2.2 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost-sharing, which may offer you lower cost-sharing than the standard cost-sharing offered by other network pharmacies for some drugs.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at www.BlueMedicareFL.com. You may also call Member Services

for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2018 Pharmacy Directory to see which pharmacies are in our network.**

Section 2.3 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
 - To learn what you must do to ask for an exception, see Chapter 7 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Any existing formulary, tiering or utilization management exception authorization you may have will not automatically renew for the 2018 plan year. In order to ensure your current exception authorization does not expire, please contact our Member Services number for assistance. If your exception authorization does expire, you will be eligible for a transitional fill of your currently approved medication according to the transition policy. Your doctor may have to submit a new request for continued authorization of the exception. See Chapter 3, Section 5 of the *Evidence of Coverage* for more information about exception requests.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs does not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and haven’t received this insert by September 30, 2017, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 7.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 4, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in the enclosed *Evidence of Coverage*.) Changes to the Deductible Stage

Stage	2017 (this year)	2018 (next year)
<p>Stage 1: Yearly Deductible Stage</p> <p>During this stage, you pay the full cost of your Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Brand) and Tier 5 (Specialty) drugs until you have reached the yearly deductible.</p>	The deductible is \$335.	<p>The deductible is \$360.</p> <p>During this stage, you pay the following:</p> <ul style="list-style-type: none"> • \$12 copay at a standard pharmacy on Tier 1 • \$2 copay at a preferred pharmacy on Tier 1 • \$20 at a standard pharmacy on Tier 2 • \$13 copay at a preferred pharmacy on Tier 2 <p>for drugs on Tiers 1, 2 and the full cost of drugs on Tiers 3, 4 and 5 until you have reached the yearly deductible.</p>

Changes to Your Cost-sharing in the Initial Coverage Stage

For drugs on Tier 4 – Non-Preferred Brand, your cost-sharing in the initial coverage stage is changing from copayment to coinsurance. Please see the following chart for the changes from 2017 to 2018.

To learn how copayments and coinsurance work, look at Chapter 4, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

Stage	2017 (this year)	2018 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. For 2017 you paid a \$100 copayment from a standard pharmacy or \$93 copayment from a preferred pharmacy for drugs on Tier 4. For 2018 you will pay 40% coinsurance for drugs on this tier.</p> <p>The costs in this row are for a one-month (31-day) supply when you fill your prescription at a network pharmacy. Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

For information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 3 Administrative Changes

Cost	2017 (this year)	2018 (next year)
Medicare Part D drugs	For new prescriptions only, you can only get a 31-day supply for you first fill of a drug.	New prescription no longer limited to a 31-day supply with your first fill of a drug.

SECTION 4 Deciding Which Plan to Choose

Section 4.1 – If You Want to Stay in BlueMedicare Premier Rx

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan by December 7, you will automatically stay enrolled as a member of our plan for 2018.

Section 4.2 – If You Want to Change Plans

We hope to keep you as a member next year but if you want to change for 2018 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare prescription drug plan,
- -- *OR*-- You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage,
- -- *OR*-- You can keep your current Medicare health coverage and drop your Medicare prescription drug coverage.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2018*, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Florida Blue offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change to a **different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from BlueMedicare Premier Rx.
- To **change to a Medicare health plan**, enroll in the new plan. Depending on which type of plan you choose, you may automatically be disenrolled from BlueMedicare Premier Rx.
 - You will automatically be disenrolled from BlueMedicare Premier Rx if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
 - If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep BlueMedicare Premier Rx for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from BlueMedicare Premier Rx. If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from BlueMedicare Premier Rx. To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY users should call 1-877-486-2048).
- To **change to Original Medicare without a prescription drug plan**, you must either:

- Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
- – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 5 Deadline for Changing Plans

If you want to change to a different prescription drug plan or to a Medicare health plan for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2018.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area are allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

SECTION 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Florida, the SHIP is called SHINE (Serving Health Insurance Needs of Elders).

SHINE is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHINE counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHINE at 1-800-963-5337. You can learn more about SHINE by visiting their website (www.FLORIDASHINE.org).

SECTION 7 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or Part D late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:

- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Florida AIDS Drug Assistance Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call Florida's ADAP directly at 1-800-352-2437 (TTY: 1-888-503-7118), or mail them at: HIV/AIDS Section, 4052 Bald Cypress Way, Tallahassee, FL 32399.
